Executive	As Passed By House	As Passed By Senate	As Enacted
No provision.	Requires ODOT, the Transportation Review Advisory Council (TRAC), and PWC to work together to prioritize the following projects: (1) Completing existing corridor projects, particularly corridor projects that benefit rural counties; (2) Eliminating traffic impediments along highways, particularly within rural counties; and (3) Replacing at least one bridge in each rural county that has been identified as requiring replacement.	No provision.	Same as the House, but removes PWC from involvement in project prioritization, specifies that as part of the program ODOT and TRAC fund Tier 1, 2, and 3 projects on the TRAC program list published in March 2023, and elaborates on project priorities as follows: (1) completing existing corridor projects, particularly corridor projects that benefit two or more connected rural counties; (2) eliminating traffic impediments on county, township, state, and federal highway routes, particularly within rural counties; (3) funding such projects at one hundred per cent of the project cost, when appropriate, particularly for projects that are located in a rural county or that extend between two or more connected rural counties; and (4) providing the necessary matching funds to receive TRAC approval for any construction projects that are related to the Program and its purpose.
No provision.	Defines rural to mean a county that does not contain a municipal corporation with a population greater than 65,000 residents, according to the most recent federal decennial census, but specifies that the population criteria for bridge replacement projects through the Program occur in counties with a population of 90,000 residents or less.	No provision.	Alters the definition of “rural county” given in the House version to mean a county that does not contain a municipal corporation with a population greater than 55,000 residents, according to the most recent federal decennial census.

	<p><b>Fiscal effect: The fiscal impact will depend on how much money is transferred or appropriated to the Jail Facility Building Fund by the General Assembly and any grants, gifts, or contributions received by OFCC. Counties receiving a minimum of 25% state funding through the jail construction funding process could save between \$2.3 million and \$6.9 million for the construction of a 100-bed facility. A portion of moneys appropriated from the fund may be used to cover costs incurred by OFCC to evaluate county needs, manage projects, and to perform and manage needs assessments, all of which may require additional resources, staff, or both. The bill authorizes counties, with voter approval, to levy property taxes for jail operation and debt service on bonds for jail construction.</b></p>
